DETAILS

The London Chess Triathlon is the UK's first chess triathlon, and is a festival of varying tempos held in a theatre just a 20-minute train ride from King's Cross Station.

We welcome flexible entries for single games, speeds, or days, and encourage female players with £10 cashback for completing all rounds.

This innovative event offers 18 ECF and FIDE-rated games in one weekend! Cash prizes for each of the individual tournaments, weighted game points contribute to a final triathlon score and the chance of a trophy. Good luck!
